1. Executive Summary
EuroBridge Jobs is an online job portal that connects skilled and semi-skilled foreign job seekers from Asia to legal and verified European employers. Our mission is to bridge the labor gap in Europe while supporting ethical, legal migration through digital efficiency and transparency.

2. Background & History
Founded in 2025, EuroBridge Jobs was created by professionals experienced in overseas recruitment and digital product design. Recognizing outdated practices and inefficiencies in international job placements, the team launched EuroBridge as a digital-first solution.

3. Product Description
Job Seekers: Register, upload documents, and apply for verified job listings.

Employers: Post jobs, browse filtered candidates, and request recruitment support.

Support Services (Phased): Visa advisory, CV writing, interview coaching, and document verification.

4. Market Description
Job Seekers: Blue-collar workers from Asia (India, Nepal, Bangladesh, Indonesia, Philippines).

Employers: SMEs and agencies in the EU facing shortages in agriculture, construction, logistics, and hospitality.

Market Gaps: Limited access to legal foreign workers, lack of digital screening tools, fragmented job search.

5. Development Plan
Month 1: MVP launch, onboard first users (job seekers and recruiters)
Month 2: Initiate marketing campaign, facilitate first placements
Month 3: Release premium features, partner with agencies for scale
